Senior Creative Director & Brand Designer

PROFESSIONAL SUMMARY

Senior brand and creative director with 9+ years of end-to-end campaign experience across premium institutions, global sports events, and government organizations in Qatar and the broader MENA region. Expert in brand strategy, visual identity systems, UI/UX, and interactive digital experiences — from concept ideation through production. Proven track record directing high-profile projects for international courts, major sporting tournaments (AFC Asian Cup, AFC U23), and design biennials, leveraging cutting-edge digital technologies including AR/VR, creative coding, and motion design.

PROFESSIONAL EXPERIENCE

Senior Branding Specialist | *Qatar International Court & Dispute Resolution Centre (QICDRC)* 2023 – Present

Branding & Design Officer 2019 – 2023

Graphic Design Officer 2017 – 2019

- Spearheaded a full brand refresh integrating newly launched legal services into the organization's visual identity, ensuring strategic coherence across all touchpoints from digital to print.
- Directed event branding for SIFoCC — its first meeting in MENA, hosted in Doha in 2024 — delivering cohesive multi-format visual campaigns and large-scale audience-engagement materials.
- Redesigned the UI/UX of the QICDRC website and eCourt Case Management System, significantly improving usability, accessibility, and user satisfaction across attorney and court stakeholder groups.
- Led the end-to-end branding development for the Doha Legal Forum, creating a cohesive visual identity across all touchpoints.
- Managed web content strategy and ongoing design updates, maintaining brand consistency and optimizing digital engagement.
- Built and managed external agency and vendor relationships, overseeing creative quality across digital, print, and out-of-home platforms.

Senior Designer | *Design Doha Biennial (Qatar Creates)* Mar 2024 – Apr 2024

- Conceived and executed dynamic social media campaigns and digital event invitations, amplifying audience reach for one of the MENA region's flagship design festivals.
- Designed the official event guidebook, ensuring visual and editorial consistency across print and digital formats.
- Produced multi-format presentation visuals for sessions and speakers, optimized for large-scale display environments and social platforms.
- Developed video animations and interactive content that elevated overall event branding and enhanced in-person audience experience.

Senior Designer | *Asian Cup 2023 & AFC U23 Asian Cup* Oct 2023 – May 2024

- Designed real-time match visuals and engaging digital assets that drove significant increases in audience interaction across social media channels during live tournament events.
- Conceptualized and produced animation videos and branded content driving fan engagement across digital platforms throughout both tournaments.
